

Lifetime Guaranteed Income

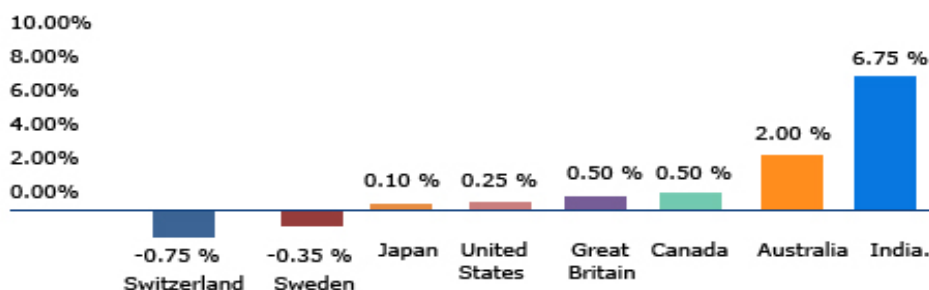

Proposal for
Mr. Gireesh Singh
(Age 32 Years)

With LIC's **Jeevan Akshay - VI**

Today, we are privileged to have opportunities to securely invest our capital in various short term investment schemes that can give us returns in the range of **7% - 9%**. Unfortunately **no scheme promises** to keep your capital **for long term** and give you consistent returns over a lifelong period.

Let's have a look at what are the rates of interests prevailing in some of the developed nations vis-a-vis India

WORLD INTEREST RATES

India is a fast developing nation and sooner or later India too will become a developed economical super power. This also means that our avenues to invest will follow the pattern we are seeing in the chart.
